

Dear Potential Exhibitor:

The Prince George's Early Childhood Interagency Committee will host our seventeenth annual "Ingredients for Success" Early Childhood Conference. This conference will target educators, students, parents, and professionals who work with children 0-8 years of age.

Registration for exhibitors and vendors is now being accepted.

Conference Date: Saturday, April 5th, 2014
Location: Dr. Henry Wise High School
Upper Marlboro, Maryland
Deadline: March 28th, 2014 (Early Bird Discount ends March 14th, 2014)

We expect nearly 1000 participants. This event will be a great opportunity for your company or organization to gain exposure to parents, teachers, early childhood education students, child-care providers, and other professionals who work with children and their families. As always, we would like to have exhibitors who will offer any child – related information, services, and/or items for sale.

The online registration process may be accessed through the "Registration" heading on the conference website after February 24th, 2014:

<http://www.pginteragency.org>

You may also register by mail using the exhibitor registration form included with this mailing if you prefer. Registrations are taken on a first come, first served basis. We are asking each exhibitor to donate a door prize (minimum value of \$25.00). If registering by mail, please take time to complete the registration form and return ASAP. After you register, a packet, with further information will be sent to you. This will include the times and directions to the school.

This year we are offering Early Bird registration rates for those responding by COB March 14th, 2014. No registrations will be accepted after COB March 28th, 2014.

We look forward to seeing you again this year or to meet you for the first time!
